& Reverse Charges V1

Operator connection & reverse charges

Operator & Reverse Charge call charges

Call charges are shown in pence per minute but you will be charge for the time you are connected to the network. Call durations are accurate to plus or minus 1.1 seconds and are rounded up to the next minute. Call charges are rounded up to the next penny.

Operator connect charges refer to charges incurred when dialling the Operator (100) and choosing to be onward connected. Onward connection from any directory enquiry service will continue to be charged at the same rate as the original call with the exception of 118 180 which incurs a charge of 15ppm when onward connected.

Reverse charge rates refer to charges incurred when accepting a reverse charge call.

Calls to UK service numbers with the 084, 087, 09 & 118 number ranges will be charged at our standard access charge rate plus the applicable charge below.

Current Operator & Reverse Charge call charges incl 20% VAT
