## In a nutshell

The Virgin Media Store gives people a new way to own the entertainment they love. It is a personal locker jammed packed full of the biggest movies and box sets.

### What you need to know

#### First out of Cinema

- Watch some of the biggest movies straight away - most before they are available on DVD

#### DVD in the post

- A DVD copy of films will automatically be put in the post for you to watch whenever you like

#### Buckets full of box sets

- Own some of the best TV box sets the moment they are released

#### Any device

- The Virgin Media Store is available as an app on iOS and Android, on any Virgin TV TiVo box and online through a desktop

#### Watch offline

- Movies and box sets are yours to own. In the UK, stream them over WiFi, 3G/4G or download to your smartphone, tablet or desktop to watch whenever you like offline

#### Available for all

- Virgin Media Store is open to anyone whether you're a Virgin TV customer or not
